For The Word of God  
and the Testimony of Jesus Christ

## News Letter

The good hand of God has been upon us. We are blessed in so many ways. The Lord has allowed me to serve Him now for over 39 years. Many souls have been saved and lives have been changed through the preaching of the Word of God. I am looking at 2009 with even greater vision and anticipation for more fruit. We are so grateful for those of you that have prayed for us and supported us financially. It is because of your investment in us that the Kingdom of God has increased, churches revived and homes strengthened.

During the uncertain days that lay ahead I look to the promise of the Lord that He will keep us in all our ways. He has delivered us from times of hardship. He has preserved us through a head on car collision and He has blessed us with good health. By the Grace of God and your support, His work will continue to move forward producing eternal fruit for His glory and His honor.

### God's Deliverance

On a dark, rainy night I saw the head lights coming, heard the voice of my wife call my name then the crash. Stunned for a few seconds before reality set in. We had just been in a head on car collision.

How fast things happen. After assuring that Faith was ok we checked on the other driver. He was also ok with no injuries. Your prayers were heard - we are safe. Plastic, glass and metal are easier to replace than skin, bones and internal parts.

We have replaced the car with a used Chevy that so far has been running well with excellent gas mileage I have gotten up to 35 mpg on the highway. But the unexpected car payments have put us in need of prayer. While this was not expected by us the Lord knew His plan and we are just to trust Him more and more to meet this monthly need.

### God's Blessings

Out of the fifty-two weeks of the year I had forty-eight meetings in twelve states.

I just never tire of seeing souls saved and Christians get on fire for God. It seemed like a lot of folks who have cooled off have had a fire rekindled in their hearts.

Whether it was a Revival Meeting, Evangelistic Meeting or Mission Conference, the Lord always did what He does best -- work in the souls of men, women and children. In one meeting there were as many restored to the Lord as there were saved.

In a tent meeting in Caldwell NJ, as I was about to preach I saw the sky darkening. I knew a storm was coming so I got right into preaching. At the invitation time the storm broke in gusting winds and rain. Men were holding up the poles, the tent was flapping in the wind, instruments were blown over by the high gusts of wind. Books and papers were flying around. Yet the altar was full with folks on their knees praying and seeking the Lord's forgiveness and blessing. God was in full control. I guess sometimes the safest place to be is at the altar.

- ✓ Health and safety in traveling.
- ✓ Financial needs. Especially the added debt of the new/used car.
- ✓ Divine anointing for preaching, personal soul-winning and daily living.
- ✓ Wisdom and understanding in all things but especially in the ministry to pastors and churches.
- ✓ The Baptist WebSite ministry (baptistwebsite.com) that helps churches have a web site apart from the world at a very low cost.
- ✓ The needs of the churches and Pastors.
